Member Discounts

As an NAHB benefit, members have access to discounts and savings opportunities offered by many top companies. All programs, rates, and prices are subject to change without notice. When making contact, the companies below request that callers identify themselves as members of the National Association of Home Builders. For more information about NAHB's Member Advantage, contact Tiffany Lindsley at 800-368-5242 x8273 or via e-mail at tlindsley@nahb.com. To view a complete list of the Member Advantage discounts, visit www.nahb.org/ma.

Vendor of Choice

The Vendor of Choice program created under the FHB Services, LLC a division of FHBA, is to provide our membership, their families and their employees' additional cost saving discounts on products and services. Through our vendor partners, the Florida Home Builders Association offers its members huge savings on valuable service as part of its Member Affinity Partner Program. Every transaction is however, an agreement between the vendor company and the FHBA member firm. For more information about FHBA's Vendor of Choice program, contact Lynn Edwards at (850)-224-4316 ext. 27 or via e-mail at LEdwards@FHBA.com. To view a complete list of the Vendor of Choice discounts, visit www.fhba.com.
