

# 2011 SCHOLARSHIP APPLICATION PACKET

Receipt Deadline – March 11, 2011

The Future Builders of America Foundation is the charitable arm of the Florida Home Builders Association (FHBA). The Foundation's mission is to engage in housing-related educational activities that help young people understand and pursue rewarding careers in the home building industry.

The Foundation created a scholarship fund to assist in addressing the pressing need for a better educated and trained construction industry workforce. Traditionally, at least 10% of the Foundation's general operating budget is set aside to be awarded annually through the scholarship program. Since 2000, the FBA Foundation has awarded nearly \$75,000 in scholarship funds to students interested in a career in the residential construction industry.

Scholarship applications are made available to the public annually in January. Awards are available in May.

Applicants should be students in good standing and recommended by their teachers or returning students with a strong interest in the residential construction industry or related trades who desire to pursue higher education opportunities but lack financial resources. An applicant should demonstrate an interest in obtaining employment in the construction industry upon graduation.

<b>Application Deadline:</b>	Applications should be received at the FBA office by Friday, March 11, 2011. Applications received after the deadline may not be considered.
<b>Eligibility:</b>	Students should be Florida high school seniors or currently enrolled in a post-secondary program in Florida. Special scholarship awards are available for Sarasota County residents and students enrolled in a school implementing the Florida Construction Institute curriculum (e.g., FCCJ).
<b>Awards:</b>	The minimum scholarship award amount is \$500. The maximum is \$2,000.
<b>Process:</b>	Applications are reviewed individually and objectively scored by an independent committee – criteria includes academic performance, financial need, construction experience, and participation in FBA activities
