

Design Council

membership application

The Design Council has been developed to foster the interests of those involved in all areas of design and promote design within the homebuilding industry. The Council is intended to develop its members by educating them and offering networking opportunities.

Goals of the Council:

- Offer members networking opportunities
- Generate members for the HBA of Metro Orlando
- Educate members on a monthly basis on the world of design and its impact on the homebuilding industry

For More Information Contact:

Stacie Cornell, Director of Councils/Events
HBA Metro Orlando
407-629-9242 x120
