

# Hispanic Market & Business Council

The mission of the Hispanic Market & Business Council is to involve HBA members and provide tools to support their growth and success in the Hispanic market.

*If you want to be part of a council that:*

- Enhances communication, fosters understanding, and increases participation in the home building industry among Latino and Non-Latino home builders and Sub-contractors
- Provides educational opportunities about the Latino market in Central Florida through seminars, workshops and networking events
- Attracts perspective members to join the HBA of Metro Orlando

Join the Latin Builders Council today, it will be one of the best investments you make in your company and your clients!
