

## NCS Plus Incorporated

Since 1984, NCS Plus Incorporated has collected 100's of millions of dollars for over 200 types of business representing over 25,000 clients.

The Cash Recovery System's unique Benefits include:

- A low fixed fee – regardless of the outstanding Balance.
- You retain complete control of your accounts at all times.
- All debts are repaid directly to you.
- The goodwill and reputation of your company is always protected.
- NCS Plus Incorporated guarantees results. (Minimum of 400% Return on Investment)
- Your internal collection expenses can be reduced by over 50%.

For approximately 10% of the delinquent account, our wholesale service includes:

- Up to five written contacts including an attorney contact.
- Professional telephone collection calls days, nights, and weekends.
- Reporting debtors to all 3 National Credit Bureaus.
- Creation & maintenance of your own private NCS website and reporting software to:
  - Enter all debtor information into the reporting and collection system
  - Check status of any given account at any given time
  - Summarize and print all results – DAILY IF YOU CHOOSE!
- If the debt isn't paid, at your discretion and our expense, we can take them to court.

Our staff is uniquely trained and equipped for Asset Searches and Skip Tracing. We collect two to three times over the industry average!

Why pay 30% to 50% to an old style collection agency. NCS will collect more money, faster for less cost.
